SALES TAX: If you are tax exempt, please attach a blanket exemption certificate.
If you are not tax exempt, please enter your tax rate here _____.

As a consideration for National Specialty Services, Inc., (NSS) and its affiliates, a wholly owned subsidiary of Cardinal Health, Inc., to accept orders or otherwise extend or make available credit to Applicant, the undersigned Applicant and Principal(s) hereby agree to the following terms of sale, should NSS elect to extend such credit.

1. Applicant shall pay for all items purchased and services rendered in accordance with the terms established by NSS from time to time. Absent any written agreement to the contrary providing for different terms signed by both Customer and NSS, payment for all purchases are due and must be received at NSS' lock box no later than 30 days from the invoice date.
2. All payments shall be made in form satisfactory to NSS. NSS shall be entitled to impose a late payment charge of 1.5% assessed monthly until paid in full on any amount not paid when due (including, without limitation, any unpaid late payment charge previously imposed) or, if less, the maximum legal rate permissible to be charged. No failure or delay by NSS to bill for any such late payment charge shall waive or otherwise affect NSS' right to receive same.
3. NSS reserves the right at all times to limit or terminate credit terms and to modify its terms of sale.
4. All information provided in this Application or otherwise submitted is true and correct and is being (or will be) furnished for the purpose of obtaining/retaining credit from NSS. Applicant shall provide NSS with financial statements and such further information as NSS may reasonably request from time to time.
5. The undersigned Principal(s) of Applicant, by reason of their financial interest in Applicant and as inducement for NSS to extend credit to Applicant, hereby jointly and severally, irrevocably, and unconditionally guarantee to NSS and its successors and assigns that Applicant will promptly and fully pay and perform all obligations of Applicant to NSS, whether now existing or hereafter arising, and without precondition of any type. If a customer for which credit has been made available by NSS is hereafter sold by Applicant or the Principal(s), this guarantee shall continue to apply to all credit thereafter made available to that customer.

HCFA / CPCS

The Health Care Financing Administration Common Procedure Coding System (HCFA/CPCS) is a coding system that describes physician and nonphysician services and supplies. It is used by the Medicare and Medicaid programs in their claims processing systems to screen billed services. These codes are updated once a year.

(Description of supplies: drugs, durable medical equipment, orthotics, prosthetics and other medical and surgical supplies.)

Terms and Conditions

Credit Terms

All prices are net. A credit account can be established upon our receipt and approval of your completed customer information sheet. We reserve the right to limit quantities on items ordered. Payment of the total amount is due 30 days from the invoice (payment received by NSS on or before the 30th day) date for our credit accounts.

Minimum Order

We have no minimum order requirement. However, orders for less than \$100.00 will be subject to a \$7.50 minimum service charge.

New Accounts

All accounts with NSS must complete and sign a customer information form. In addition, all practices are required to supply NSS with their DEA number and a copy of their DEA certificate. (Should your facility not require a DEA license, an applicable state license will be required in order to ship product.)

A customer placing an order with NSS for the first time and who has not yet established credit with us, can have their order processed in a variety of ways; (1) Visa or Mastercard account, (2) billed to the customer's ValuTerms™ account, NSS' proprietary financing program, (3) prepaid by check or (4) C.O.D. Upon receipt of a customer's first order, NSS will send a customer an information sheet for the purpose of establishing a credit account with NSS for future orders.

Shipping Errors and Discrepancies

Any errors and/or discrepancies on shipped orders must be reported within 72 hours of the invoice date.

Shipping and Delivery

Pharmaceutical orders are delivered 2nd day. Medical supplies are delivered in 2-4 days. All products requiring refrigeration are shipped in accordance with manufacturers' recommendations.

Returns for Credit

Credits will be handled only on items that are authorized by NSS for return. Returned items require written authorization. Any authorized returned items are credited to your account toward future purchases. Any returns as a result of a customer error or an overstock situation are subject to a handling charge. Items returned for credit are based on the policy of the manufacturer in regard to their issuing credit to NSS. Any item returned to NSS for credit must be done so within 30 days from the date of purchase. Any and all items returned for credit must be in their original package (unmarked, unopened, unadulterated), unexpired and have been stored or shipped in compliance with USP drug monographs and FDA guidelines. NSS is not responsible for items returned without authorization. Dated products, refrigerated products, special order products and opened products are generally not returnable. Credit for returned merchandise will be issued at our lowest current price or the actual price charged to your account, whichever is lower.

Special Handling

A shipping charge of \$7.50 will be required for all refrigerated orders which do not exceed \$100.00.

Business Hours - Order Department

Our order department is available Monday through Friday from 8:00 a.m. to 8:30 p.m. EST. For your convenience, our FAX order line is available 24 hours a day, seven days a week.
